Crown Community Development to Host Community Engagement Meetings June 5 and 12 for The Grove Master-Planned Development in Sugar Grove, Ill.

Company representatives, project partners, elected officials to share proposed plans at two public meetings

WHAT:

Please join [Crown Community Development](#) on Monday, June 5 at Waubonsee Community College for the first community engagement meeting to learn more about Crown's proposed plans for The Grove, a 760-acre master-planned community at the interchange of Interstate 88 and Route 47. A second community meeting will be held on Monday, June 12, at the same time and location, for those who cannot attend the June 5 meeting.

The vision for The Grove incorporates several potential live, work and recreational components, including a vibrant town center; multiple residential neighborhoods with a range of housing types; at least 200 acres of open space, including community parks and trails; and areas for retail, restaurants, community services, healthcare and e-commerce distribution or a data center.

In addition to a new Town Hall for Sugar Grove, proposed neighborhood amenities that are intended to benefit all residents of Sugar Grove and the surrounding area range from a tree-covered trail system with walking and biking trails and preserved green spaces featuring community events and outdoor gathering areas to a dog park, playground, area for food trucks and a farmers market.

Company representatives and project partners will be on hand to discuss proposed plans and answer questions from community stakeholders and residents. Refreshments from local vendors will be served.

WHO:

Crown Community Development

WHEN:

Monday, June 5, from 6 - 8 p.m.

Monday, June 12, from 6 - 8 p.m.

WHERE:
